VISION

Recognising the relationship of a city to its environs, the people of Otautahi/Christchurch, in Aotearoa/New Zealand, practise, live and demonstrate sustainability in all that they do.

AIMS

Recognising Te Tiriti o Waitangi/ The Treaty of Waitangi, to actively contribute within Otautahi/Christchurch to opportunities and means for achievement of long-term sustainability.

In doing so, to seek to ensure that all people have their basic needs satisfied, so that they can live in dignity, in healthy communities, while having the minimum adverse impact on natural systems, now and in the future.

OBJECTIVES

The primary objects for which the Society is established are, within Aotearoa/New Zealand :

- * To facilitate and promote education about the ethics and practice of sustainability in the community.
- * To encourage education about sustainability by the promotion of innovative planning and design of urban developments and projects.
- * To promote, conduct and publish research as part of a programme to educate about a whole systems approach to sustainability.
- * To carry out any other charitable activities which are considered practicable and desirable in reaching the vision, aims and objects.
